

OFFER LETTER

Date: 30-07-2026

To,
Mr./Ms. Dileep Kushwaha
—

Subject: Offer of Employment - Software Developer

Dear Dileep Kushwaha,

We are pleased to offer you the position of Software Developer at Softflip Solutions, subject to the terms and conditions mentioned in this offer letter.

We believe that your skills, learning ability, and enthusiasm will contribute positively to our organization, and we look forward to having you as a part of our team.

1. Designation

Your designation will be:

Software Developer

You will work under the supervision of the Technical/Project Manager and will be responsible for supporting software development, IT coordination, testing, documentation, and day-to-day technical activities assigned by the management.

2. Date of Joining

Your expected date of joining will be:

15-06-2026

You are requested to report to the office at 10:00 AM on your joining date.

3. Training / Probation Period

You will initially be appointed as a Trainee for a period of 3 months.

During the training period, your performance will be evaluated on the basis of:

Technical learning and programming skills

Software development work

Problem-solving ability

Project participation

IT coordination and support

Communication and teamwork

Punctuality and discipline

Ability to complete assigned tasks within deadlines

Based on your performance, you may be confirmed as a regular employee after successful completion of the training/probation period.

4. Compensation

During the training period, you will receive a stipend/salary of:

₹50000 per month

After successful completion of the training/probation period, your compensation may be revised based on your performance and company policy.

Any applicable statutory deductions will be made as per the applicable rules.

5. Job Responsibilities

As Software Developer, your responsibilities may include:

Software Development

Development and maintenance of web-based applications.

Coding, debugging, testing, and implementation of software modules.

Working with technologies such as HTML, CSS, Bootstrap, JavaScript, C#, ASP.NET and MS SQL Server, as required by projects.

Understanding project requirements and converting them into technical solutions.

Database development, queries, stored procedures, and data management.

Fixing bugs and resolving technical issues.

Maintaining proper coding and project documentation.

Participating in software testing and deployment.

IT Coordination

Coordinate with team members regarding project requirements and task status.

Assist in collecting and documenting client requirements.

Coordinate between development, testing, support, and management teams.

Maintain project/task status reports.

Provide basic technical support to internal users and clients when required.

Monitor assigned IT-related activities and ensure timely completion.

Assist in software installation, configuration, testing, and troubleshooting.

General Responsibilities

Follow company policies, processes, and instructions.

Maintain confidentiality of company and client information.

Maintain professional communication with clients and team members.

Complete assigned tasks within the agreed timeline.

Continuously improve technical and professional skills.

6. Working Hours

Your normal working hours will be:

10:00 AM to 5:00 PM

Working Days: Monday to Saturday

The working schedule may be changed according to project requirements and company policy.

7. Place of Work

Your primary place of work will be:

Softflip Solutions

However, you may occasionally be required to visit client locations or other work locations for project-related activities, if required.

8. Leave and Holidays

Leave and holidays will be governed by the company's leave policy applicable to employees at your level and designation.

Prior approval from the reporting manager/management will be required for planned leave.

9. Confidentiality

During your employment, you may have access to confidential information relating to the company, clients, software source code, databases, credentials, business plans, pricing, documents, and other proprietary information.

You agree not to disclose, copy, transfer, misuse, or share such information with any unauthorized person during or after your employment.

All source code, project files, documents, databases, credentials, designs, and other work products created as part of your employment shall remain the property of Softflip Solutions or the respective client, as applicable.

10. Company Assets

Any laptop, computer, software, documents, access credentials, ID card, storage devices, or other company property provided to you shall be used only for authorized business purposes.

All company property must be returned upon completion or termination of employment.

11. Performance and Confirmation

Your continuation and confirmation after the training/probation period will depend upon your overall performance, conduct, technical capabilities, attendance, discipline, teamwork, and business requirements of the company.

The company reserves the right to extend the training/probation period if required.

12. Termination / Notice Period

During the training/probation period, either party may terminate the employment by providing 15 days' written notice, or salary in lieu of notice, subject to company policy and applicable law.

After confirmation, the applicable notice period will be as per the company's employment policy.

The company may take immediate disciplinary action in cases involving serious misconduct, unauthorized disclosure of confidential information, fraud, data misuse, or other serious violations, subject to applicable law.

13. Background Verification

Your appointment is subject to satisfactory verification of the information and documents provided by you, including educational qualifications, identity, previous employment details, and other information where applicable.

Providing false or misleading information may result in withdrawal of the offer or termination of employment.

14. Documents Required at Joining

You are required to submit copies of the following documents, as applicable:

Aadhaar Card / Valid ID Proof

PAN Card

Educational Qualification Certificates

Passport-size photographs

Bank Account Details

Address Proof

Previous Employment/Experience Certificate, if applicable

Other documents requested by the company

15. Acceptance of Offer

Please sign and return a copy of this offer letter as confirmation of your acceptance of the above terms and conditions.

We welcome you to Softflip Solutions and hope that your association with us will provide you with valuable learning opportunities, professional growth, and a successful career.

We wish you all the best for your new role.
