

Proposal for Daaku – Trading Software

Dear Daaku,

We are pleased to present our proposal for creating **Trading Software**.

We are representing a team of incredibly creative and experienced professionals who provide cost effective multimedia and web solutions.

This proposal is based on the information provided. The following pages contain our understanding and scope of the project with the proposed solution for Trading Software.

Thanks for providing us this opportunity; we look forward to hearing from you.

Sincerely,

D K
